Principal's Message

*"Every day is a new beginning take a deep breathe, smile and start again!"
~Unknown~*

I am sure your days continue to be busy with what everyone is calling the new normal. Thank-you for supporting your child's learning with distant education. Everyone at school is missing the children. The Office ladies miss buzzing children in, the teachers miss working with their students, educational assistants miss working with the students they work with, I am missing the buzz in the hallway beside my office of students chatting and working and Mr. Munoz is missing cleaning up after all of the students. Continue to try your best, and we will continue to communicate and work with families as we have been, to support our community in learning.

We praise the Lord for the beauty of Spring! The hope the new buds on the trees and flowers starting to bloom bring. We appreciate the sunshine. We have a renewed outlook with Spring!

God Bless,

Miss Gilbert

MAY IS THE MONTH OF MARY

May is seen as the beginning of new life and the start of summer in Europe, Asia, and North America which makes this a logical time for the celebrations of Mary, who brought life into the world.
